Acer Incorporated

Dear Sir,

I am pleased to inform you that your product:

ALTOS1200

Master ID# : **32668**

has passed Microsoft® Windows® Windows 2000 Server and NT Workstation Logo Testing by Microsoft Windows Hardware Quality Labs (WHQL). We are attaching a formal WHQL Test Report which details the tests we performed on your product.   An original Cover Letter and Exhibit C will be sent to **Peter Lee**.

A hard copy of the Test Report will not be sent unless specifically requested. To do so, please send a request to question@nstl.com.tw with the words "TEST REPORT REQUEST" in the subject line.

If you have any questions regarding the test report results please contact the e-mail help alias for your specific hardware. A complete list of e-mail help aliases is located at http://www.microsoft.com/hwtest/ and then go to the WHQL support Page under WHQL Testing Resources.

This product is now eligible for the following:

Designed for Microsoft® Windows® Windows 2000 Server and NT Workstation Logo (Artwork and Usage Guidelines sent previously to **Peter Lee** and Microsoft® Windows® Windows 2000 Server and NT Workstation Logo Designation on the Hardware Compatibility List (HCL) located at http://www.microsoft.com/hwtest/hcl.

Please be aware that Microsoft® Windows® Me and Microsoft® Windows® 2000 Professional Artwork are two separate pieces of Art, we do not have a combination of these two pieces of Art and you will not receive any form of combination of Microsoft® Windows® Me and Microsoft® Windows® 2000 Professional Artwork.

A new Logo License Agreement which includes Microsoft® Windows® Me will need to be completed and returned to WHQL before the Artwork for Microsoft® Windows® Me will be sent.   Please download and return the new agreement from http://www.microsoft.com/hwtest, go to Learn about WHQL and click on How to Logo a Device or System, then go to Sign Legal Agreements and click on WHQL Legal Agreements for this download.

If this submission meets the driver signing criteria posted at http://www.microsoft.com/hwtest/signatures/details.asp?ID=174, you may expect to receive the corresponding digitally signed catalog file(s) within 5-7 days.
