Hardware: Detailed Hardware Description

Hardware Summary

Acer Inc. - [Altos 1200](#) x86-based**Certified**

Server

Red Hat Linux 7.1

Component: 2D Video Adapter**Status:** Compatible**Comments:** [Acer Inc./on-board ATI Rage XL chip]**Driver Location:** Red Hat Linux installation CD**Ease Of Install:** **Component:** CD-ROM Drive**Status:** Compatible**Comments:** [Acer Peripherals Inc./650P -047 48X]**Driver Location:** Red Hat Linux installation CD**Ease Of Install:** **Component:** Controller Card**Status:** Compatible**Comments:** [Acer Inc./on-board Adaptec AIC 7899 chip]

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: CPU

Status: Compatible

Comments: Quantity:2 [Intel/Pentium III 1000MHz]

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: Fixed Disk Drive

Status: Compatible

Comments: 18GB [IBM/Ultrastar DDYS-T18350]

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: Floppy Disk Drive

Status: Compatible

Comments: [Panasonic/JU-256A046P]

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: Memory

Status: Compatible

Comments: 256MB SDRAM

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: MotherBoard

Status: Compatible

Comments: [Acer Inc./99136]

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: Network Interface

Status: Compatible

Comments: [Acer Inc./on-board Intel 82559 chip]

Driver Location: Red Hat Linux installation CD

Ease Of Install: 

Component: Power Supply

Status: Compatible

Comments: ATX Power

Driver Location: Red Hat Linux installation CD

Ease Of Install:
